the digressions are related to each other on this basis By means of a study such as this we may be able to form some ideas concerning the unity of the two epics and their relation to each other If the digressions appear homogeneous in structure in both poems, that will be an indication of unity of authorship; but, if the structure for

The Function of Digressions in the M

may be merely excused Some modern studies, particularly those on the paratactic style of Homer, have not so much settled the question of unity in the Homeric poems as evaded the issue by denying the value of the search for unity, or at least any unity which we could recognize as such, in an oral poet Far from disposing of the central
